

Nozzles

Smart Cool SC

Smart Cool SC is an adapter with a damper, and adjustable grill for adding cooling air. With this function it is possible for the cool air to be added gradually, when extracting high temperature air from i.e. exhaust gas. When the regulation grill is open, it will extract air from the room and mix it with the gas from the vehicle.

The product is available in $\varnothing 100$, $\varnothing 125$, $\varnothing 150$ and $\varnothing 200$ mm.

Dimensions

Art. No.	Designation	Exhaust goal	Hose Diameter (A)	Weight
12-040	Smart Cool SC-100	$\varnothing 100$ mm	$\varnothing 100$ mm	0,90 kg.
12-041	Smart Cool SC-125	$\varnothing 125$ mm	$\varnothing 125$ mm	1,00 kg.
12-042	Smart Cool SC-150	$\varnothing 150$ mm	$\varnothing 150$ mm	1,35 kg.
12-043	Smart Cool SC-200	$\varnothing 200$ mm	$\varnothing 200$ mm	2,00 kg.
